MORE ME-TIME

GUARANTEE

Designed to save you time... featuring high-performing, easy-to-use appliances with style and design elements. All products — with their smart short-cuts, one-touch buttons and uncomplicated technology — have been built to deliver one primary thing: more time for you. Our dishwashers ensure you don't do double-dry duty². Our ovens pre-heat in less than six minutes.³ And our dryers dry clothes in the same amount of time as the washers wash them to prevent waiting around⁴.

Purchase three or more eligible models shown below between July 1, 2010 and December 31, 2010... if you don't save at least 8 hours each month in cooking and waiting time¹ using a combination of time-saving features on select Frigidaire appliances, return them, for a refund of the purchase price within 30 days.

Time saving features may not be appropriate in all use situations.

² Based on use of the PowerPlus™ Dry or Effortless™ Dry Cycle.

³ Based on single rack cooking performance, not set temperature, using PowerPlus™ Preheat or Quick Preheat.
